“ I too have so many memories of Aunt Elma in our younger days. All those camping trips to the lake will always be embedded in my memory and will be cherished forever. Aunt Elma’s laugh and smile was contagious to all those around her. Truly a devoted Wife, Mother and family person. God Bless the Melton family in this time of loss. RIP

“ In my kid days, I naturally remember Elma pulling out her homemade cookies for everyone to munch on. Whether it was just a snack or enjoyed after one of her delicious meals, they were awesome! The fun times we had at the lake will always be filed away. Whether I remember them all or not, they are there, and I cherish those times our families spent together. Love and prayers to the Melton Family.
