“ I love Jeanette, love her dearly. My mother and Jeanette were in the nursing home at the same time and this is where met Ms. Jeanette. She's a beautiful lady with a beautiful personality. I know she will keep everyone happy in heaven. God bless the family.

“ Mom, I'm the luckiest "kid" on earth because I've been blessed to be your daughter. You've always been in my corner, you had my back no matter what, with unconditional love, a smile and a gentle word. You have been through so much, you are a warrior, ever strong and confident. I love your sass, your kindness, your caring nature and of course, your cooking! When I look up the definition of the word mother, there's a picture of you - no words needed. You and I have shared a million giggles and as many tears but through all our days together there has always been love, an unbreakable mother-daughter trust, an invisible thread forever keeping us connected. You are now and forever my mama and I am now and always your Renee, I love you and miss you so much mama.

“ I am so sorry to learn of the passing of Aunt Jeanette. My earliest memories was when we traveled to Colorado with Grandpa & Grandma Pearson one summer and stopped to visit. I was glad when she moved back to Alva many years later and was around to help Grandpa after Grandma Florence died. Many thoughts and prayers go out to Marilyn and all the family.
Love, Janella
