“ John, as your little brother, I will miss you. I have loving memories of us together. Growing up and sharing everything. You taught me to drive and you let me drive your 55 T-bird. It was awesome. I'll miss playing cards with you and having a shot of El Presidente. Sitting out on your porch, drinking a beer and just talking and laughing. You were a great brother and I know you're in the greatest hands of all. Rest in peace.
