“ Aunt Patty will always hold a special place in our hearts. She was so full of life and so much fun to be around. The wonderful meals she cooked, the nature lessons she taught, and the ghost stories were the best. She and her sisters helped raise a great group of kids and the memories will live on. Love to you all.

“ May special memories of Patty be etched in your hearts, and may the love and prayers of family and friends bring warmth and comfort to each of you during this time, and in the days to come. Though I haven't seen Patty for quite some time, always enjoyed her visits when our paths would cross. In deepest sympathy.
