“ It saddens me to learn two years later of Terry’s passing. Living way off down in Texas has had its drawbacks. Terry and I were both in 4-H and showed steers together at the Northwest District Livestock Shows. I remember Terry showing her steer at Woodward one March. Terry placed well with that steer and Bud was one proud Dad! My memory of Terry wearing a pink western suit, leading her steer out of the showing toward Bud Bickford, who was smiling from ear-to-ear, is exactly how I will always remember both of them. ‘A happy girl going to meet her loving Father, how fortuitous.’

“ Whenever I went into Walmart, I would make it a point to seek Terry out. She was a favorite of mine, with her friendly smile. We exchanged notes the last few weeks. She knew who she was and where she was going. I will always miss her.

“ To Terry's family, I am so sorry for your loss. I pray to God for your peace and comfort. Terry and I have been friends ever since the "Capron girls" came to Alva to school. (That was a fun thing Terry and I called her.) We did school projects together and became close friends. Terry always had the most precious smile anytime I would see her. Her smile could light a thousand candles. She was the most caring, giving, and kind-hearted lady I have ever known. I will miss you so much Terry Elaine. I U.

“ John & Terry were introduced to us by our dear friend Terry Underwood. We all were involved in breeding, raising and showing goats. More than that we became great friends. Terry was a genuinely nice, caring woman with such an inviting smile. She always had a hug for those she cared about. I am and always will be grateful that I was one of those lucky people. She will always be in my thoughts.

“ Terry and I first met at Alva Junior High. Her family and mine farmed together in the Capron area for several years. She was a dear friend, and will be sorely missed by all who had the honor to know her. Rest in peace, my friend, and may that peace extend to all who mourn her passing. Ida Evans, AHS Class of 1974

“ I met Terry when I was in college, and I remember her friendly smile and uplifting personality. Later, when she worked at Walmart, Terry always made the time to stop and say hi and ask how I was doing. Terry always cared about people. She loved her family so very much and always bragged about each one of them. Terry, you will sorely be missed and my heart goes out to your family in their time of loss. Rest in peace Terry.

“ Cleo and I were saddened by the news of Terry's passing. She was a good friend and her and Cleo were longtime Wall Mart co workers. It is very sad her grandchildren will not get the benefit of a wonderful grandmother's love, but she is no longer in pain. Condolences to all of your family.
