“ I have so many memories of you, Denny and I, I catch myself daily, wanting to call you, I'm so heart broken that I have cried every day and probably will for a long time, I tried so hard to save you, but God took you still, I think the hardest thing now is watching your son go through the pain and heart ache that he is now going through not knowing how to do life without you, I love you so much and i will think of you every day

“ I moved to Gonzales, LA in the Summer, 7/4 of 1979. Patti Blouin introduced me to Tisha and we had a blast during our teens! One night we decided to jump the railroad tracks on our way home from Diez's, yep, blew out the tires when we landed. We laughed so much! Very costly memory. I was lucky enough to meet my life long partner through Tisha at Thunderbird Beach. All those camping trips alongside the Tickfaw & Amite Rivers are fresh in my memory. Until we meet again, wear those Angellic Wings proudly my old friend. Gods Be Continued prayers to Sister Mia & the rest of the family.

“ There are too many to share Tee. Falling off the bike and almost breaking your leg, Sissy dropping you on your head, growing up together and you telling stories that went on and on and on.....lol! One more story Leeslees (Necy). I loved growing up with you! You were my little shadow for a long time. I will always miss you and I would still kiss you all over your face even though you hated it! It will be forever that I will not believe your gone and I can't just pick up the phone and wake you up! Forever Tee! I love you!
