“ Truman and Sherri, I am so sorry at the passing of Angie. She was a very good friend to me.
If ever there is tomorrow when we&re not together...there is something you must always remember. You are braver than you believe, stronger than you seem, and smarter than you think, but the most important thing is, even if we&re apart...I&ll always be with you. -Winnie the Pooh

“ Truman, Sherri and all of my cousins... Know that we all share in your grief. Angie was taken from us way too soon, by our time, but God must have other plans for her. We must remember all the great times we had with her. My memories were as a child and they were good memories. Know that we are there in spirit and prayer. We pray for God to keep you in the palm of His hands and comfort you all as you help each other in this time of loss. Do love each other, and tell each other how much you care... We are not promised tomorrow. Love and prayers to all
