“ I have been searching for Miss Alice. I used to live in Goltry, Ok for a short time. I befriended her immediately. I was in the 6th grade. I&m now 38. I used to walk all over town with her & she took me to her house everyday for mini chocolate chip cookies & piano lessons. I have always thought of her & wondered what ever happened to her. And I&m saddened that I finally find her & she&s gone.
