“ *Pat and my Mother lived next door to each other o 11th Street during the late 80s and early 90s. Pat was such a lovely neighbor and they enjoyed each other's friendship through those years and especially after Amos past.*

*I have missed seeing and talking with Pat since she moved to be closer to family in Enid. I send my sincere condolences to her family

*My mother, Avis Marcum, and Pat were great friends. When I went to visit, we had the usual donut and coffee together, then off to the wellness center for 20-30 minutes worth of exercise. They were a pair! Lois Kassik joined in too and they all made an adorable trio. They sat together in church and usually went to eat afterwards. What great friends! I will always have fond memories of Pat. I'm sorry for your loss.

A lovely service for such a beautiful woman. Stan and Ed, have been good friends, class mates, partners in crime.. from school days through college and our adult life. I remember many times the guy's fishing at the farm, and then Pat would always offer to clean the fish so the guys could visit. I remember many years ago.. when I was at the drug store, she would stop often to have coffee with friends. Pat always made time to stop and visit, and inquire how we were.. I was always excited to see pictures of the grandchildren and their parents.. Peace and Love, dk
