“ JoJo had a smile that lit up the world. Not only did her smile take up her whole face, but the happiness and joy of life would also shine through her eyes! Man they sparkled like no other. She had such a happy and loving soul that u really couldn't stay mad at her for long. She always had the right words and attitude to put a smile on someones face. Boy when she got mad it was almost funny.....We lost touch as they years flew by, but I never stopped loving or caring for her. May she be at peace with glowing wings and a huge smile at all times. Love u always!
