“ *My Aunt Rowena was affectionately known to all of her nephews and nieces as Aunt Ena. She did not have children of her own, but she was everyone's favorite aunt. She was my favorite aunt for sure. She made a positive impact on each and every person she came in contact with. I even tolerated her calling me Chrissy because she was Aunt Ena. She called me that right up to the day she died. She was better at expressing love for others than anyone I know. She was a wonderful person who was loving, giving, kind, encouraging, generous and sweet. She will always have a special place in my heart. I look forward to seeing her in heaven. Rest well in the arms of Jesus my dear sweet Aunt Ena. Love Chrissy.*

Lauren Baggett

My name is Lauren, I am one of Elmo's granddaughters. Rowena was the sweetest grandma to us. She treated all of us like we were hers and we loved her so much. One of my best childhood memories is Rowena taking me, my little sister Lacie and Cousin Jenny to the Alabaster caverns and the Little Sahara to ride the sand dunes. She was the best. One of the sweetest women you could ever meet.
