“ *I have tried so hard to write my memories of Beth. However can't stop the tears long enough. Beth was a best friend. She had the biggest smile and the cutest laugh. Just know that I truly lost my big sister. I know she is flying high above me now. My new guardian angel. Love you Beth and I know I'll see you again.*

Beth was one of the first people I met on the playground when we were little girls. I remember playing tetherball with her and how she always had the prettiest smile and the sweetest personality. We always had lots of fun in Brownies and Girl Scouts. May she RIP.
