“ *Becky: I doubt you remember me. My name is Lynn. My mom was Laura Jane Rodgers. She and Bettie Lue were best friends in grade school. Florence and Paul (who lived across the street from Bettie Lue and Tuffy) were my mom's aunt and uncle. I went on the wheat harvest with your family in the summer of 1973 to earn money for the next semester of college. I still have fond memories of your family, especially your mom. She had a heart of gold. My mom just passed this last January.*
