Betty Louise Sloan, daughter of the late Charles Henry and Anna Irene (Gleason) Link, was born October 16, 1938, at home east of Taloga, Oklahoma, and passed away September 5, 2021, at her home west of Aline, Oklahoma, at the age of 82 years, 10 months, and 19 days.

Betty graduated from Taloga High School, then attended Friends Bible College in HaviLand, Kansas. She completed her Bachelor's Degree at Bethany Nazarene University. She later completed her Master's Degree in English Literature at Oklahoma State University.

While attending OSU, she met Earl Eugene Sloan and they were married June 3, 1961. She taught English Composition at OSU before she and Eugene accepted teaching positions at Greenfield School. They later moved

to the farm west of Aline.

Betty farmed with her husband, Eugene, for over 60 years. She loved gardening. Her family and friends enjoyed the beauty of her flowers and the fruits of her garden, especially the strawberries that she tended to relentlessly. She loved snow and water skiing and enjoyed sharing time with family and friends through many church activities and impromptu cookouts. She will be greatly missed by family and friends, but we rejoice in knowing she is home.

Besides her parents, she was preceded in death by one sister, Elnora Herrman.

Betty is survived by her husband, Eugene, of Aline; two children, Brent Lee Sloan and wife, Sherri', of Aline, and LaDonna Jean Sloan and husband, Brian LaRoche, of Charlotte, North Carolina; and two siblings, Blanche Goff and husband, Kenny, and Charlene Adamson and husband, Bob.

“ Sincere condolences to Betty’s family! Heaven has gained another angel, due to our earthly loss! She was a true blessing to all who knew her. My late husband, Dale, frequently remarked “Betty is the champion of coconut cream pies”! Praying each of your hearts will be warmed with cherished memories of this special lady! 🙏❤️🙏
