“ From the Chet Wilks family:  
Gay was a large part of our family’s life from the time we first became neighbors on Spring Creek Road in 1977.  
She was a dear friend and she considered our daughter, Wendy her own.  
Gay was present at many of our family celebrations and we missed her dearly when she moved back to Alva.  
It was good to see her at times when she returned to OKC for several years before moving to Enid to be near Veda.  
Two things Gay always said that said so much about her as a person were:  
“GOD puts you where you need to be” and “Always thank GOD for the good things”. RIP dear friend.
