

Billy Joe Melton

August 29, 1936 - September 15, 2011

Funeral services for Billy Joe Melton will be 3:00 p.m. Monday, September 19, 2011, at the Alva First United Methodist Church with Rev. Terry Martindale officiating. Interment will be in the Alva Municipal Cemetery under the direction of Marshall Funeral Home of Alva.

Billy Joe Melton, son of the late Henry Isaac and Nellie Mildred (Sale) Melton, was born August 29, 1936, at the family residence on a farm west of Alva, and passed away September 15, 2011, at the Oklahoma Heart Hospital in Oklahoma City, Oklahoma, at the age of 75 years and 16 days.

Joe attended McKeever School, graduating from Dacoma High School, and attended Northwestern State College for two years. He proudly served in the United States Army and was stationed in Korea. On June 15, 1957, he was united in marriage to Jo Anne Murray at the Greenvally Free Methodist Church. They lived in Liberal, Kansas for five years where he worked for Panhandle Eastern. He then worked as a bookkeeper for the Denver-Rio Grande Railroad in Denver until 1965, returning to Alva where he was employed by the Alva Farmers Cooperative as the new fertilizer plant manager and later the Hopeton elevator manager. In June, 1979, he and Jo Anne opened a Montgomery Ward Catalog Sales Agency, beginning his many years of appliance sales and service. In October, 1983, while still operating the Montgomery Ward store, they opened J & J Appliance, where he still worked at the time of his death. He also farmed and ranched for a time. Joe was a member of the Alva First United Methodist Church and Alva

Masonic Lodge #105. He enjoyed gardening, woodworking, and could fix just about anything that was broken. As a devoted family man, he loved being with his children and grandchildren.

Besides his parents, he was preceded in death by two brothers, Charles Melton and Lee Melton; and one sister Wilma Ruth Melton.

Joe is survived by his wife, Jo Anne, of Alva; one son, Billy Joe "Joey" Melton, Jr. of Alva; three daughters, Jonella Kay Rathgeber and husband, Mark, of Alva, Jolisa Melton Dobbs and husband, Steve, of Dallas, Texas, and Jody Annette Melton Witt and husband, Greg, of San Francisco, California; two brothers, James A. Melton and wife, Elma, of Wichita, Kansas, and D. Russell Melton of Lakewood, Colorado; sister-in-law, Adella Melton, of Dover, Delaware; and sister and brother-in-law, Rita (Murray) and Chuck Polf, of Alva; and a special family friend, Julie Heasley of Alva.

Also surviving are ten grandchildren, Elizabeth, Allison and Andrew Rathgeber, all of Alva, Constance Baio and husband, Stephen, of McKinney, Texas, Jacquelyn Melton and Josephine Melton, both of Alva, Henry, Alexander, and William Dobbs, all of Dallas, and Adeline Witt of San Francisco; and his great grandchild, Lillian Baio; other relatives and many friends.

Memorial contributions may be made through the funeral home to the Billy Joe Melton Family Academic Scholarship, Alva Goldbug Educational Foundation.

“ I am so sorry to hear about the loss of your father and husband. I did not find out until yesterday, 9/19/11 and wish I could have been there for the service. I have so many fond memories of hanging out in the store downtown and all the time we spent together at your house. Your family has always been so wonderful and I know it&s going to be hard to imagine it without Joe. I know that time and distance has separated us over the years but thoughts of you and your family are always very close to the surface and I think about you all the time. I still remember JoAnne writing me letters in Germany years ago when Jody was away at camp so that I still had someone to talk you. Your family was so welcoming to me and I have never forgotten that. I am praying for you and your family to get through this one day at a time. Just know that many many people remember and appreciate what a wonderful family you have. Take care and god bless! Love, Traci Smith childhood friend of Jody

“ JoAnne and family; I was so shocked to read about Joe. May God comfort you at the time of sorrow. I will never eat another peanut butter pie with out eating a piece from him. Joe was such a happy guy with a smile always on his face. I will miss him dearly. He always lite up a room when you ask him about one of his grandkids. He loved his family more then anything in this world. Just remember that the brightest star shinning at night will be his eyes sparkling with pride for each and every person that he would meet. I&ll will keep you and the family in my thoughts and prayers in the days and weeks ahead. Lisa

“ Dear Jolisa.....oh how sad to receive your wonderfully written tribute/message about your father, &A sad day&. I think I met him and your also wonderful Mom about three or four times, a couple of times when they came to Norman to just be with you and then at their home and your and Steve&s wedding in Alva. It was always conspicuous that you had a very special connection/bond with your father. While I am extremely sad for you and your Mom and brother and sisters I am more sad for your boys. And yet I am so appreciative that you have shared your message and therefore your father with me and Millie. He was even a better man, father and human being than I was aware of. Thank you much! Millie is in California and was so very saddened to get the news of your fathers passing. I am very sorry that I will not be able to get to Alva Monday for his services. I just can&t make it there. Please do give your Mom a special hug from me and especially hold those dear little boys close and tight. They surely love their grand-poppy. How sad is life that our children lose their grandparents when they need them most. My own five granddaughters are the joy of my life and certainly I to will miss a lot of their growing up. And that is why ;and so wonderful; that your Dad always called to check on them. And you can imagine his joy in being there for them. I really think that being a grandparent when one can actually participate in their grandchildren&s lives is the most precious gift we can have. You&ll know it one day. Please do take some joy in knowing how lucky your Dad was in being a wonderful grandparent. Losing my father was the saddest day in my life and I am with you in this moment. Jolisa, knowing you and your family is a blessing in my life and I thank you. I will be thinking of all of you Monday and during these sad times. Your friend....Bill and for Millie as well. Would you believe it, every day I take a nap under the gray and black trimmed blanket you made for me so many years ago. I think of you and family often. We will send a contribution to the Milton Scholarship fund soon. With much love and gratitude to you and family.
