“ *Although I didn't personally know him well, his face and the store hold many dear memories and the best burgers in the country were made on that grill! My sympathies for your family.*

“ *I miss you Grandad. So much more than I ever realized possible. So many times I'd wish I would never hear &I&VE BEEN 21 YOU HAVEN&T BEEN 80&, or &GO FILL THE POP CASE&, OR &EAT YOUR DINNER&, ever again, but what I would do to hear those words just once more. I long to hear you say &There she is...Miss America&!! There is not a day that goes by that I don't think about you. I love you. Turn out the lights...the party&s over Grandad.*
