“ *Dear Jackie and the amazing Leeper family,  
Both Grant and I are saddened at the passing of Calvin. Grant is trying to write the letter before we send the cards. You know we are there in spirit but we wish we could provide you with physical comfort.*

*What a wonderful life Calvin had and created an amazing legacy with his family. I am working with the recordings Jackie, Calvin, Grant and I had in the summer so the legacy can also live on in a simple book to read. I'll also give you the audios to that day too.*

*Both Grant and I send our deepest condolences.*

*Love,  
Grant and Beth Lord*

“ Hi Jackie, the last time I saw you and Calvin was when you came to see me at the office at the Capitol, thank you. Your marriage was one of many good years, what a blessing. Our days go way way back to College at Northwestern and others at Lambert, remember? J. Robert told me about Calvin and we found this on the funeral home site. My husband passed away in 2010, so I know the heartache about loved ones. love to you and your family, Blessings to each.

“ I was sad to read of Calvin's passing. For many years we were neighbors and no finer folks lived in that yellow house. I think of Jay and Matt playing together. To you, Jackie and to all of your family , let the fun memories comfort you in your journey through life. May the peace of the Lord be always with you.

“ I sure wish we could be there with you on the day of Calvin's life Celebration. There will be so many great stories that will be told. He was one of the hardest working men I have ever known. He loved God, his family, his farms , his animals and his old cars! Please know our thoughts and prayers are with all of you. May you all be comforted in knowing that he has now been healed and is now walking the streets of Gold forever. All Our Love, Klista and Court
