“ *Mr. Carl Weigand was my high school teacher for many classes, to include Industrial Arts I & II, Civics, History, etc.. I learned a lot from him which I put to good use in my adult life. I have enjoyed visiting with him at past school reunions. Only one of my high school/grade school teachers is still alive now. I must be getting old!*

*Dear Weigand family
This is Jim & Pam Lang. We both taught at Strasburg H.S. I had Marsha in my 8th grade math class. We now live in Surprise, AZ in a 55 community, called The Grand. Our phone number is 303-694-3631. My best memory is when we went golfing -we had a few beers and when we brought Carl home we just set his clubs by the front door help Carl to the porch, rang the door bell and away we went. Didn't want his wife getting mad at us.*
