“ Dearest family; I&m so sorry to hear of Carolyn&s passing. This is such a shock to me. I remember growing up with her. We spent many hours together when we were kids. She had such many talents that we will miss her very much. I&ve never know anyone with her special gift to make such beautiful dolls that she made. Her items that she made were always special to receive for a holiday or birthday. She touch everyone heart in some special way. I know that she is in heaven next to dad were they are enjoying there time together again. May God comfort you in your time of loss. I will miss her very much. She will always have a special place in my heart.
