“ *Jeannie, Kate, Marty, Mike and Tina, I love the photo of Uncle King and that is how I will remember him. I will treasure the times we all had together when we were young. Your dad was so kind and patient when we wanted to ride the horses and my children enjoyed and remember the times he spent with them. Geert enjoyed the visits with him at the lake. He will be missed. Peace be with you all.*

“ My thoughts and prayers are with you today and the days that follow. I wish I could be there to pay my last respects as you lay him to rest, peacefully and free of illness. Felicia and Colby also send their condolences. They have fond memories of him also as young children and their times spent with Tina. I have wonderful memories of Uncle King, Aunt Katherine, and you kids as a child and as an adult. My summer visits as a child will forever be cherished and I still think of things that happened and laugh! Uncle King continued to show his interest in me as I grew into an adult. He visited with enthusiasm about me and my family, rarely speaking of himself. I will always treasure that he called me TC instead of Teresa. I loved him and will miss the heartfelt greetings he had for me whenever we would see each other. May he rest now in eternal peace.

“ Our thoughts are with you today. Saturday I was riding in our car with daughter Dana and we were talking about the reunion and where everyone was from. I mentioned King and Montana and she remembered. We both said it would be great to get up there to visit him and see Montana since he was so dedicated to drive down to see us every year (at Canton). GOD BLESS. -Kirk

“ Jeannie and family, your dad was such a special man. We had a lot of fun at the reunion in Two Buttes. What a great man he was. I know you will miss him. However, now he can breath easily and have no more pain. My thoughts and prayers are with you through this time.

“ Dear Jeannie, Kate, Marty and Mike and your families: Our hearts ache for you. I wish we could be there, but are unable. You will always have the good memories of your dad to get you through. I have lots of great memories of your dad, and especially, will always remember hearing him quote his poetry when he was helping Mother and Dad move from their house at West Ranch to their last home in Rocky Ford. Lots of love to all of you, your cuz, Marilyn

“ I have good childhood and adult memories of King. When I was a child, he was always friendly to me and I stood in awe of his cowboy ways and personality. In later years I came to know him better at family reunions and by way of phone calls. I will miss him as I know you, his family and other relatives will, too. I am happy to know I&ll see him in Glory, again, someday soon.

“ I have wonderful childhood memories of the times spent with Uncle King, Aunt Katherine, Jeanie, Kathy, Kim, Marty & Mike. As I have grown into an adult I treasure those days even more. I appreciate the simpler times of family. We will miss our long talks with Uncle King at the Bays family reunions sitting under a shade tree. We are deeply saddened by all of our loss. We are comforted knowing that he&s free of this earthly pain and praising the Lord with Kim, Aunt Katherine, Granddad, Grandma Peach & all the others that have gone on before him. Now we await our time to reunite with them. We loved Uncle King & will miss him very much.
