“ You are in our thoughts and prayers. I am so grateful to have been able to spend a little time with Cheryl when she was in the hospital here in Oklahoma City. It was so sweet to go down memory lane with her and recall the good times when we were kids. She was always such a prankster, and there was never a dull moment with cousin Cheryl around. I always enjoyed being with her. I know she will be missed by many. Love and prayers, Regenia
