“ Went to school with her she was a grade below but we hung out in the same circle of friends. She was always bright and cheerful. RIP

“ I have sooo many memories of Chey. Fights, Love and Laughter. Family Thanksgivings, Family Christmas, Family Easters, our wedding, Game Nights, 4th of July, the pool, and just hanging out talking while we watched the girls running around in diapers on the trampoline and in the waterhose and the kiddie pools....she may be gone but will NEVER be forgotten.

Chey had a personality that said "screw the world, I am me and if they dont like it they can bite me" She feared nothing (except evil spirits...lol) and no one! The talks we had and the things we shared will always be near and dear to my heart. We ARE FAMILY, if not by blood surely by heart.

Fly high Chey! We will keep your Mom, Auz and the girls close and as always they will continue to always be apart of our family!

We love you and miss you- Tammy and Gary Carter
