“ *Sad to hear of Cindy's passing. I attended college in Alva from 1971-1976 and we had so much fun and great memories. We took a lot of road trips together, my favorite was to Omaha. Her whole family made a Texas boy feel welcome at their home in Waynoka. Will treasure many good times and extend prayers to the family.*

“ *So sorry to hear about Cindy. Prayers and sympathies go out to the families. I knew Cindy from college at Alva and she was in my wedding. We moved to another state for years and lost track. Eventually we moved back here and just last year we ran into each other and got to chat for awhile. Thankful we got that chance.*
