“ *My early memories of Miss Clara was jumping up to the counter to look at the most heavenly pies I'd every seen. After looking for just the right piece. That was not an easy choice. She set it down in front of me. Every time I see cream pie I have to have a piece. To this day no other has measured up. RIP Clar*

“ Clara has been such a VIP in Waynoka for decades - it is really hard to think of losing her. Miller's Cafe, basketball games, city council - but best of all, she was Mom and Grandma to a great family. The town honored her with Clara Miller Day, which brought her family and friends together to recognize her for all her contributions to our lives. Things won't be the same without Clara Miller. Sending my love and condolences to her family.

“ Please accept my condolences. I thought very highly of Clara. She was a special woman personally and as a business woman. She gave me my first job as a kid in high school. The café was downtown and I will never forget it seemed like the kitchen was a mile from the tables and booths. I went home every night with aching feet. But I loved working for Clara, a very dear lady.
