“ *Chris, Donna and Family,
Just keep searching for the right words but there aren't any to describe how sorry I am for your loss. My faith tells me that Colby is in a better place looking down on you all with that great big smile! So, I will pray for you and your family to find comfort and strength from the love of friends and family and eventually some peace in your memories of a great love shared in a life too short lived. May God hold you close,
