“ Told me ghost stories of the Big White House lol. Never judged when she could of. Her mom is family and my heart goes out to her losing Crystal after Russell. Donetta you are in our thoughts this horrible time Rozlynn ,Ross and my hearts. Crystal and I we're neighbor's on church St 18 yrs ago and I remember she saved me from a darn fight in yard from my ex husband and she stayed calm through it and we laughed for yrs about it. It really scared the crap out of her but she stayed focused. Boy I watched her put her kids #1 for yrs!!!! And I watched her love Humberto for EVER. What a shock our town has lost a really fine Lady I would have to say Crystal was a Super Mom no doubt in my mind she loved her life and so happy she got to be a Grandma before God needed her. Prayer's to her babies and her loved ones . What a fun friend .
