“ What can one say about Darla ,I'don't remember much about her when she was a young girl,but got to know her many years later when her Mom moved to Cecil St,To me Darla was also so sweet ,and gave the best hugs ,she love to visit with people ,as most people know ,sometimes to long, but all one had to say is Darla got togo have things to do and places to go and she undertood. I am sure to some Darla was a pest /nusencs or just couldn't be bothered with her, but in her defence Darls was lonely ,yes she had a mother and dad at this time I knew her , but Darla was a kind of specila person and some know what I mean ,she loved attention, but don't we all at sometime or other.. This is a sad day for some people ,but it is a happy day For God just received an other Angel , and Darla is telling God all about the friends she had .I will miss Darla's Big Hugs and our little or long visits we had when we met each other at Jiffy Trip or just downtown ..So for Darla . .Won't say goodbye ,but till we meet again .Big Hugs..Mabel..
