

## Daylinn Rae Kimbro

November 29, 2011 - July 6, 2023

A celebration of life service for Daylinn Kimbro will be 2:00 p.m. Saturday, July 15, 2023, at the Waynoka Public School Multi-Purpose Building, with Rev. Thure Tolson officiating. Cremation arrangements are under the direction of Marshall Funeral Home of Waynoka.

Daylinn Rae, daughter of Brett LaWayne and Danielle Lee (Keene) Kimbro, was born November 29, 2011, at Oklahoma City, and passed away July 6, 2023, at Wichita, Kansas, at the age of 11 years, 7 months, and 7 days.

Daylinn was raised in Piedmont until fifth grade before moving with her family to her dad's hometown of Waynoka in February, where she completed the school year. She was a farm girl through and through, appreciating all the things the country had to offer. She enjoyed helping her Mema with her cattle. She spent her days taking care of her many animals, from ducks, to dogs, to kittens, all while having her little brother by her side.

She started playing soccer at the age of five with the Heartbreakers. This began her passion for the game. As she grew, she found a love for playing goalie but eventually decided that scoring goals was more her thing. Some of her most precious memories are with her teammates and friends from the Heartbreakers and West Side Alliance soccer club.

Daylinn had always been a creative soul with a wild imagination. From the time she was little, she found joy in art. This was a favorite pastime of hers. You could always find her making things for others. We all have many of her precious creations in our homes and in our hearts.

Daylinn was adventurous, fearless, and looked forward to trying new things. She recently learned to play the piano, crochet, and play softball. She loved going to the lake, finding new trails to hike, and attempting tricks off the pool high-dive.

Our little girl was remarkable. Her one-of-a-kind smile would light up any room she walked in to. She was kind and generous, always thinking of others. She had future dreams of being a veterinarian where her sweet spirit and kind-hearted nature would have made her the best doctor to animals in need. If we could all be a little more like her, the world would be a better place.

Though her time with her family and friends was short, she touched many lives and was loved deeply by those around her.

She was preceded in death by her grandpa, Kim Kimbro; great-grandma, Alene Bond; great-grandpa, Lloyd Ramsey; great-aunts, Joanie Jones and Sandra Ennis.

Daylinn is survived by her parents, Brett and Danielle Kimbro, of Waynoka; her sister, Adria Kimbro of Oklahoma City; her brother, Mac Kimbro of Waynoka; her grandparents, Dave and Kelly Sprecher of Kingfisher, and Deb Kimbro of Waynoka; aunts and uncles, Tisha Stewart and husband, Chris, of Alva, Dal Kimbro and wife, Hannah, of Waynoka, Tyler Keene of Oklahoma City, Kodi Keene and wife, Crystal, of Anderson, Missouri, Dillyn Sprecher and wife, Lyndsay, of Norman, and Kori Oyler of Gravette, Arkansas; great grandparents Orval and Marlita Peters of Kingfisher, Jan Purtle of Canton, IL,

and Donna Eggleston and Martha Kimbro of Waynoka; many beloved cousins, other relatives, and cherished friends.

“ *Daylinn was always so kind to my girls. She made their move to Piedmont much easier. She and Surrie were BFFs and she always included Sophie. We will remember her smile and love. She taught Surrie how to play soccer during recess. Their sweet notes, her art, and memories will forever be in our hearts. Continued prayers for you all. ❤️*

*I wouldn't say I was Daylinn's best friend, but we did talk often. She was the sweet girl I ever knew. I'm now going into 7th grade and i wish she could be doing the same. I found out way too late and I wish I could've attended the funeral. I still pray about her and her family every day. I was with one of her old friends Marik, and we saw Daylinn's mom and brother at a Thunder Blues basketball game for a school field trip. I took one look and him and almost balled my eyes out. He didn't deserve that, I just can't imagine how that had to break it to him. I think about all the things she never got to do but I will never forget all the things she did get to do. I cannot speak for her, but I know she loved her family and she lived a very full and happy life. I live in Surrie and Sophie's neighborhood and I know how much they loved her. If you are Daylinn's mom and you are seeing this, I just want you to know I will always continue to pray for you and that you are the best mother to Daylinn. You raised the most sweet, loving, intelligent, and innocent little girl. Daylinn will always be in our hearts.and everyone make sure to send love to her and her family. ❤️*

“ Darling Sweet Angel Daylinn. She was such a bright light, kind and welcoming to everyone. She always waved at me and had that big beautiful smile on her face every time i passed by and she was outside playing with Mac or helping dad in the shop. I shared some pics of a fun night we had. It's a memory I'll cherish forever. Fly High Babygirl❤️
