“ So many memories of our block in Burlington, kids running back and forth between houses. Swim parties rotating yards, bicycling around the block, watching trucks and dads during harvest, and July Fourth firework parties. Sharing the same struggles raising children and trying to make ends meet, sharing rides to practices and attending a lot of ballgames. Time moves so quickly but the memories and love remains! Prayers to all of your family members Debbie you are missed! Love the 4 J's!
