“ *My sincere and belated condolences. Hadn&t seen Debbie since our boys were very young. Came across a couple of pictures that started my search for her, and was distressed at finding her obituary. She was a shining light for me and a good friend in our youth. We were blessed to know one another.*

“ Curt, my heart goes out to you and the whole family. Most of my favorite memories from age 8 to 14 involve Debbie in some way. She was like a second mother to me. The world is a lesser place without her in it.
