“ I know I'm late, and I'm sorry. I remember all of the wonderful memories we made on every Easter, 4th of July, Thanksgiving, and Christmas dinners. Although we didn't get to spend very much time together, the time that we did get was special. Those holidays we shared will always have a special place in my heart and I hope that I never forget those times.

“ I am so sorry to hear about Diana's passing, I remember when we all alot younger and she came into our lives as another sister, she was always so kind. I still remember all the river and fishing trips and the times we we would sit and play cards. I am sure she is with God and Cristina now
