“ *Dear Hood family my thoughts and prayers go out to you. The last speeding ticket I got was in 1971 and Don gave it to me. When I got on Highway Patrol in 1980 and was assigned to Troop G I asked Don if he remembered giving me a ticket. And he did told me where it was and how fast I was going. Don was a good guy and he will be missed.*

“ I only lived in Alva from 1959 to 1961 but remember Don Hood well. He was a real good looking guy and an outstanding athlete. Kind of flirty but really only had eyes for Kay Cook. I remember one time he told me he counted the sweater&s in Kay&s cedar chest and there was an astonishing number like 34! I was thinking at the time "my mother would never let a guy in my bedroom" and she never did! Jack Wheat kept me informed of his illness and it was so sad to hear of the inevitable downhill spiral. Oh once ago many years ago he stopped my mother during his highway patrol days and I think he gave her a ticket. I do not think he would have given me a ticket but I might be wrong and will never know. Hopefully a little remembrance or two from a friend long ago will bring a little comfort. To all the Hood family, my sincerest sympathy.
