“ *I am so happy I was able to celebrate Don's life with his wonderful children and grandchildren. Spending time with all of them brought great joy to me. Don and Betty were loving and caring parents. Don was playful in his youth, a hard worker and loyal family member. With love, cousin Joy*

“ *It is with sadness to learn about the passing of Don from this life but he will be a tremendous blessing to those in heaven. He was such a wonderful man, so gentle, friendly, and kind. What a delight to know him at Hazelton High School. Don, Glenn Ricke, Harold Gates, and Del Nimmo all went to the Philmont Scout Ranch in New Mexico for several weeks during our junior year in high school. What an experience....none of us ever forgot the events of that experience. We all became brothers as we hiked through the beautiful mountains of Northern New Mexico. No one enjoyed learning about the nature of wilderness and also about human nature more than Don. He taught the rest of us how to move forward in life no matter the obstacles.*

He will be missed!
