“ *I have some fond memories of Aunt Doris. I wish I had more, I think we would have been good friends as well as relatives. Grandma (Betty Greenwood) really wanted to come down for the funeral, but was unable due to health concerns.*

“ I have many good memories of Doris. She made a Cinderella jacket for my granddaughter and she absolutely loved it. She also made many baby blankets for my grandchildren. She was such a thoughtful person. Sorry for your loss, but know her suffering is over. She had already decided she would not be able to go to basketball games this year, and that was such an important part of her life. We will miss her.

“ Doris will be missed by many who knew and loved her. We will miss seeing her, on Sunday&s, drive up to church, with the top down on her little convertible. May special memories warm your hearts with comfort during this time, and days to come.
