“ I will always remember how patient Dorothy Jo was when she was Jay's and my Sunday school teacher. She always seemed to have a good sense of humor, even when I could tell we had exasperated her. I hope all her loved ones are able to find comfort at this difficult time.

“ Dorothy was a beautiful person. She not only cared about her patients and residents, she cared for everyone. I was extremely lucky to work with her. She always had a smile on her face. She loved her family and considered everyone a friend. I am so sorry for your loss. May God bless each of you and give you peace.
