“ *I&m sorry for your loss and I have a question. My dad back in the 60&s, 70&s and early 80&s had some dealings with a Mr. Ray Heavener and a Mr. Ed Thomas. My dad raised, bought and sold leopard coon hounds. I&ve had a heck of a time try&n to research and get a hold of the right folks that daddy traded with or did business with. If your father use to raise coon dogs then I would really like to talk to someone in the family that could tell me a little about him and his dogs.*

thanks
