“ Carolyn, I am so sorry that you have lost your daughter. I just now read her obituary, and it's such sad news. May God comfort you and your family now and in the time to come. How devastating it must be to all her family and friends.

“ Kids and family: I have had the pleasure of knowing your mom for the 20 years she lived in Waynoka. I can say that your mom was the strongest lady I've ever seen. She fought for you kids and never backed down for what she believed in. The heavenly angel truly gained a beautiful person. Leigh will dearly be missed by her earthly family but remember that every minute she be watching over you kids. Please know that you're in my prayers. And the tears that I shed for her are both for sorrow and love I had for her. The pain is no more. She has made her journey on the "Stairway to Heaven". I love every memory we had together. Thanks for sharing Leigh's time on earth with us. Love Lisa and Monte.
