“ *Sending my condolences to Ella Mae's family. She was a faithful Christian and a loving mother always. I am grateful for the friendship we always had at church and in our neighborhood.*

“ *I remember when you kids were little. You lived on Rose street. All the kids in the neighborhood all playing together. Mom would round you all up and make sure you were ok and then you'd sneak back outside to play. When the day for the food distribution I'd visited with her and she always let me know how you kids were doing. She was so proud of each one of you kids. May God wrap his arms around you and comfort you in this time of grief. Will be keeping you in my thoughts and prayers. May God bless your family.*
