“ *I am so sorry to hear about your mother and our deepest sympathy, thoughts, and prayers to all of your family. Louise will always have a special place in my heart for her sincere kindness, thoughtfulness, and gentle loving nature. She was a special niece to our mom (Pearl). Mothers have a very wonderful way of always holding a family together and I know her gentle smile, gentle voice, and vision of knowing what is right for all concerned will live on in all of you, through you. All our wonderful family times together gathering on the farm hold special memories in my heart forever -- that is something I always miss, but at the same time so glad we had them together. My prayers are with you now and in the future. Love, Judy, Don, Taylor, Austin Mitchell, and the rest of Pearl&s family.*

“ *My sincere condolences to the family. I have so many memories of your mother . . . not sure where to begin. Of course, all of us Marsahll Road girls spent a lot of nights there having slumber parties. One of the most memorable times was around Halloween and I was at your house. Peggy and I were getting dressed for a Halloween party but, for some reason we had candles and of course, I caught my hair on fire and your mom had to "save the day"! She was such a kind-hearted and soft spoken Christian woman. We were all so blessed to have known her.*
