“ *I&m sorry to be sending this expression of my sympathy for your loss nearly 9 months since Gary died but I just found out and didn&t even realize he had been ill. I went to school with Gary and since our names both fell late in the alphabet we often ended up sitting by each other or whatever they were doing that required some kind of order. Gary was special to me, a wonderful friend and I am really sad that I didn&t know he was ill, I would have wanted to remind him how special he was. I will miss him and I am so very sorry for your loss.*

“ To Gary&s family,  
Please accept my sympathy in your great loss. Gary and I grew up in the same neighborhood east of Waynoka, and we were always friends. Not too many years ago, he helped with the restoration of the Harvey House in Waynoka, which is enjoyed by so many people today. May God be with you in this time of sadness. Sandie Olson
