“OMG!! Gayla and me were close in highschool. We went from carmen to alva to the movies all the time, we had some great time's, she always made me laugh 😂. I've thought about her often through out the yrs wondering what path in life she took? I've done several searches on Facebook for her threw out the yrs but always came up empty? I'm sad that I'm just hearing about her death by accident doing a Google search.. gayla was a strong and independent girl when I hung around with her!!! I'm curious to know what happened to her??? If by chance one of her daughters reads this please reach out to me.. I'm in Florida now retired living a dream life. But Gayla will always have a special part of my heart and she will be truly missed...😞 Your friend Dirk Pierce dddpierce@gmail.com

“Lezlie and family, I just heard and am genuinely sorry. Gayla and I were friends even though I was Robert's first wife. We, only a few years back, sat and had a long talk about Lezlie. You see Gayla truly loved my daughters, your half sisters. Miranda is married and has two children and Malissa is in graduate school. They were never given the chance through circumstance and time to meet you, they regret that now. They are wanting to get to know you for they are your sisters, too. Please e-mail me or call me 580-402-2977. We are willing to help if you need anything, just let us know. I am so sorry for I loved Gayla too.

“ Gayla will surely be missed. I remember all of us cousins getting together and playing in the barn at Aunt Hazel and Uncle Les&. We had so much fun. Gayla was always a loving, kind and fun person. She was much too young to die. My prayers and thoughts have been with all the family. May God help you all through this time of need.
