“Gregory will truly be missed, He had the ability to make people laugh and enjoy his company. He personally taught my family many ways to enjoy the blessings that we have. He put up a tough fight with his illness and yet remained with the Lord, He loved history and could tell great history lessons as though he lived them himself. He was a true friend to the end and made my nursing career very special and I was blessed to know him and care for him. I love you Gregory and will think of you and enjoy the simple pleasures of life like smelling the fresh mowed lawn. You have your wings now so fly freely. I will see you when I cross the Jordan.

“My Condolences to Randy, Shelly, Christa and Family! For the time I spent with Gregory, we had so much fun. He made me laugh and everyone around him. I enjoyed his Personality, Kindness, and Loving Heart. I have thought of him these last 2 months and wondered how he was doing. I am so happy to know he knew the Lord and was ready for His Loving Arms! God Be With you through your sorrow and Pain. Always Remember, "His Angel Wings Are Bumping Into You Every Moment of Every Day To Let You Know He Is Looking Out For You"! "He is OK"!!! Love You, Jodie
