“ *I will remember the first time I meet Harvey. William and I took him to the casino in Ok. He loved the penny slots also had to stop half way to pick up lottery tickets. He never would throw them away. Also wanted a hotdog and a glass of beer at the casino. But always stated they stole him money when he would lose. I looked up to him. When he couldn't take care of himself anymore he wanted to go to the nursing home. He was a man to look up to and was truly amazing to talk too in the short period of time I joined this family. Will love and cherish the memories we had with you. Tell you wife hi wished I was able to meet her. God was ready for you. May you find your retirement from this earth full of happiness and enjoyment when you meet the family that has left us behind too. Love and miss you. Susan*
