“ *I remember when I was on the phone with Faun. She had sat the phone down and I ended up on speaker. Zeek was having a blast talking to himself. So, I spoke up and started talking to him...he got real quiet, like where in the world was that coming from. It was so funny.*

“ Zeek was most definitely a very special boy who touched the heart of a lot of people who he cross paths with. Little man change me for the better and Im very honored to have be apart of his life. Watching WWE and see ing his reaction to hearing his favorite wrestlers music hit put a smile on everyone face. He was my lil buddy who we would jam out to music while waiting for Katy to get out of school back in Santana KS.

“ May Zeke be whistling his favorite songs in heaven with our Lord. When his family visited my home I whistled for him nearly every song I know how too.
He watched In wonder with the look on his face that he wanted to whistle with me as his father often has.
