“ *Bill and Dennis and families, I was so saddened to hear of Onie&s passing. I have some great memories of she and Lyle at the cafe. It was good to see both of you at the reunion. You and your families are in my prayers.*

“ *We are so sorry for your loss! Your mother was a jewel among us; I treasure all the family gathering memories we have with our children, parents, grandparents, aunts, uncles and cousins. Let?s not loose ourselves in the busy pressures of this live on Earth, but know there is Gods reward awaiting our return into his kingdom with joy, peace and rest; as we dwell in the house of the lord forever. After moving to back to the area, I often felt that I had left my life behind in the city. Just as I was starting to feel without family both the Delano boys showed up at our home. I have to tell you, that small gesture and brief visit regained my family ties to this area. We are here to stay.
I pray for you to find peace and comfort in your family and friends during this of mourning and that God will be present in your lives and that he may carry your life?s burdens for you.*

“Joyce and Dennis, I am blessed to get to know the both of you this past month. Just wish it had been under different circumstances. This has been a very difficult month for you both. Nothing ever replaces a mother in our lives. I am so sorry you have to go thru loosing them so close together. May God hold you both close and give you strength to get thru the next year. Hope to see you again soon. There aren't very many "Iona's" around, I don't like loosing one. Iona Morisse
