“ Jeannie, Scott, Roger, Beth, Gail and all other family members, There's not a lot I can say that everybody doesn't already know about JD, he was one in a million! His stories, his teasing, his smile with that little twinkle in his eye, that would give you a little doubt of what he was telling you might not be quite the whole truth. He loved to tease and make you laugh. We will always have fond and happy memories of JD. We are all lucky to have known him and we wish you, the family, our deepest sympathy and know that you all are in our thoughts and prayers. He was truly a very special person and will be missed by all.

“ Jeanne and the rest of the family, J.D. was always one of our favorite people. We loved to visit with him and enjoyed his humor. He had a one of a kind laugh. J.D. inspired respect from us as he was always a stable constant that we so appreciated. J.D. was a very giving person being willing to do anything for anyone. Remembering how he helped take care of Mrs. Ellis when she stayed with J.D. and Jeanne was always a lesson to be remembered. We looked forward to the bounty of his garden as he was always willing to share with his friends and neighbors. We could go on and on about such a good man. You, his family, and we, his friends, are fortunate to have had him for all these years and the many gifts that came from such a selfless man. We will truly miss J.D. Kysar and the wonderful examples he set for all of us. We know right where he is and look forward to seeing him again. If those that we love are with the Lord, and the Lord has promised to be with us, they cannot be very far away.
