“ *Jackie was such a friendly soul to everyone here at the Homestead. When we first arrived here from our home in San Francisco, CA it was Jackie who first extended a warm welcome to us newcomers. She befriended us when we most needed a friend in a new and strange place. She graciously invited us to accompany her on a country ride to see her farm and homeplace and show us around the area. We will certainly miss her happy face and friendly smile, but we know she is now in a better place!*

“ *Sending up prayers for Jackie's family to be comforted by God and by the happy memories as well. Jackie was a lovely lady. In years past we would often see the Leepers in Grove and enjoyed visiting with them. She was always so sweet and friendly.*

Jackie's obituary came up in an unrelated google search. Jackie & Calvin, Linda & Lee were family when I was a very young child. I was always excited to visit, and the cats with extra toes were way cool. Jackie lit up rooms, she was always upbeat and positive. I share her passion for the Democratic Party. Linda and Lee, I hope you and yours are well.

“ I have great memories of the many times Eldon and I shared events through the years with Jackie and Calvin. Of course most of them were years ago, but we still sent updates on our Christmas cards. We had some good times playing cards, going places, going to dances and watching our kids grow up. They will be remembered by my family. Lavona Roush
