“ Dear Aunt Ernestine I&m sorry to hear about James& passing. I saw on his Myspace page where he was a Christian. Although it is hard to even imagine what you are going through, we can all take comfort that, according to the Bible, to be absent from the body is to be present with our Lord. Please say hello to everyone, and remember this: No one has the right to judge another person in any circumstance. I&m speaking of your life with Uncle A.J. and the Ball family (his sisters and brothers). What is past is just that ? it&s past. I loved my daddy and Uncle A.J. and all my aunts and uncles ? and that includes you. My mother has always spoken very highly of you and how you were treated when you and Uncle A.J. were married by the Ball family. She described you as a very humble person who took a lot of criticism. That took a lot of strength. My prayer now is that you rely on that stength and in God&s promises that He will always take care of you if you put your complete trust in Him. Love ... your nephew, Gary
