“ *Marc, I don't know if you'll get this message at such a late date but I wanted to take the chance. I'm so sorry to find that Jan has passed away. I always loved Jan. We always found a way to sneak off and have a talk and lots of smiles and laughs when we saw each other at church. It has been a good 8 years since I last saw her. My heart goes out to you and your family. (You know me as Lynda Inman. I was married to Preston.)*

“ *Marc and girls, I am so sorry to hear of Jan's passing. I remember her when I first came back to Alva wanting to finish her education. She was so determined and strong. What a great model. Seeing Jan and you, Marc, together in our store was evidence of the strong bond the two of you had in your marriage. May God keep you in the safety of His hands until your grief passes.*

“ I want to thank each of you for the wonderful things that you have said about my mother. Everyone who knew her knows how wonderful she was and how she could bring a smile to your face. She is missed already even though she is in a better place. I am so blessed to have such a wonderful friend, mother and now a guardian angel to watch over me and my family. Marc, you are the strongest person I know. The love you have for my mother is so amazing. I am glad to have you as a step-father and a grand father to my kids. We will share many more memories together. Love you forever and thank to all who knew my mother for being there for her and being her friend.
